Monday, February 24, 12:30 pm – 3:30 pm **Overall Success – Freehand and Pantographs** **\$40**

Get those quilts finished fast, with easy-peasy overalls or simple pantographs. Learn to find your path with freehand patterns or how to line up pantographs and follow the lines. We'll work on two charity quilts in class, one with freehand E2E (edge to edge) and one with a pantograph.

Wednesday, March 4, 12:30 pm – 3:30 pm **Rulers, Templates and Other Tools** **\$40**

Can't remember how to use those rulers or templates you bought at a show? Bring them to class and we'll figure out how to use them. Better yet, email a photo of your ruler(s) and we'll dig up instructions before your class! We'll have four stand-up machines outfitted with ruler bases for hands-on use, plus George, for those of you who are "sit down" quilters. We'll have rulers available for you to try (and buy). Those rulers and templates don't have to be gathering dust any longer!
